USER AGREEMENT

Participating Agencies who use the Indiana Housing and Community Development Authority's Homeless Management Information System (HMIS) and each User within any Participating Agency are bound by various restrictions regarding protected personal information ("PPI"). The employee, contractor, or volunteer whose name appears above is the **User**.

It is a **Client's** decision about what level of information is to be shared with any Participating Agencies. If your agency is covered by HIPAA or 42 CFR Part 2 (federally-defined treatment facility), it is also Client's decision about whether the Agency or IHCDA may use information for research purposes, unless certain other approvals have been obtained, such as from an Institutional Review Board.

The HMIS Client Consent is implied and sharing with any Participating Agencies or, in the case of HIPAA and 42 CFR covered entities, authorized for research use (unless certain other approvals have been obtained). The User shall ensure that Client fully understood the information.

USER PRINCIPLES

A User ID and Password gives you access to the IHCDA HMIS. **You must initial each item below** to indicate your understanding and acceptance of the proper use of your ID and password. Failure to uphold the confidentiality standards set forth below is grounds for your immediate termination from the HMIS.

(Initial below)

	I understand that I have an obligation to maintain Client privacy and to protect and safeguard the confidentiality of Client's PPI. PPI shall include, but not be limited to, the Client's name, address, telephone number, social security number, type of medical care provided, medical condition or diagnosis, veteran status, employment information, and any and all other information relating to the Client's programming.
	My User ID and Password are for my use only and must not be shared with anyone. I must take all reasonable precautions to keep my Password physically secure.
	I understand that the only individuals who can view information in the HMIS are authorized Users who need the information for legitimate business purposes of this Agency and the Clients to whom the information pertains.
	I may only view, obtain, disclose, or use information within the HMIS that is necessary to perform my job.
	If I am logged into the HMIS and must leave the work area where the computer is located, I must logoff before leaving the work area.
	Any hard copies of PPI printed from the HMIS must be kept in a secure file, and destroyed when no longer needed, in accordance with Agency's records retention policy. I will not leave hard copies of PPI in public view on my desk, or on a photocopier, printer, or fax machine.
	I will not discuss PPI with anyone in a public area.
	I have reviewed the Agency's Notice of Privacy Practices and the HMIS Policies and Standard Operating Procedures. I understand each of those documents and agree to abide by them.
	If I notice or suspect a security breach, I will immediately notify the Executive Director of the Agency and the HMIS System Administrator.
	I understand that any violation of this Agreement may also be considered a violation of my employment relationship with the Agency, and could result in disciplinary action, up to and including termination of my employment or affiliation with the Agency, as well as potential personal civil and criminal legal fines and penalties.
